The Fascinating Widow.

A writer in Harper's observes that the feminine mind is often not a little puzzled to understand why the fascinations of a widow are so much more potent than those of a single woman; why it is that in every gathering the widow will carry off the partners from under the very nose of the spinater who is in the very flower-wall flower -of her youth. Does she speak with the Carabas, or because she has been endorsed but few can be found who willingly refose in love with the girl and a week after the the young girl's estimation the suttee was live to get a wife. the right kind of a widow. Ought not the -I wish I could send you a picture of shot-gun, and has followed Alfred to this nisl of immortality? But the young girl tally a network of drivelling idiotry and about the portices of her father's palatis; is told that these are the fine-spun feel- high philosophy, a kieptomaniac in his ings of a sentimentalist; that the widow proclivities, reverencing nothing, respleting does right to live in the warm, and Very quote, "Take him for all, and in all we "What is it that sustains us, Reggie, when like Old Mortality, among graves. Very quote, "lake unto look upon his like again." A clouds of adversity shut out the blue sky but she may not have buried all her little favorite amusement with the boys consists of affluence, when the vanities and am. vanities, her love of admiration, her inter- in referring knotty questions to Squire for bitlons of life have fallen about us like in the grave with her husband. Is it her of youngsters were discussing the cruel fault if the men prefer her society? Per- sentence of the court adjudging the penalhape it is her very indifference, having ty in a bastardy case. Squire was called are no sweet song birds warbling in the ed or not, that is irresistible, or the confi-dence which the fact gives. Perhaps it is commit suicide de cote ought to make him half closed eyelids, and, in a voice tremu-and holds eight gallons. somebody else's shoulder; because tobseco amoke does not effect her; because she is not the Courier Journal in reference to a proposafraid to show her interest; because, know- ed reunion to be held at Murphreesboro, by bung for murdering their wives, and at ing their weakness, she yet likes their soci- participants from both parties in the late Pittsburgh a beautiful young woman comety; because her unprotected position and struggle. This is all right. It is an easy mitted suicide on recount of the cruel her becoming weeds appeal to the man'y and a graceful thing to do on the part of treatment of her brother, whom she dearly heart; or because she has learned that in those who witnessed the strife only amid the loved. It has been a question of much the scrimmage with her husband's rela smoke of battle and the din of conflict, study why men are so inhuman to the wotives. Perhaps, through having loved and lost, she has touched a wider gamut of volcanic artillery distracted their personant the respective has made her experience has made her ceptions and led them into the folly of results who loves him more cruelly than the brute

Principal Battles of the War. Following are the dates of the principal battles of the civil war, who commanded in each, and the number killed on both

Ball Run (first), July 21, 1861; North, Gen. McDowell: killed, 481; South, Gen. Beauregard; killed, unknown. Shiloh, April 7, 1862; North, Gen. Grant; killed, 1,735; South, Gen. A. S. Johnston; killed, 1,728. Seven Pines and Fair Oaks, May 31 and June 1, 1862; North Gen. McClellan; killed, 890; South, Gen. J. E. Johnston; killed, 2,800. Antietam, Sept. 16 and 17, 1862; North, Gen. McClellan; killed, 2,010. South, Gen. Lee; killed, 3,500. Chancellorsville, May 2 and 3, 1864; North, Gen. Hooker; killed, 1,512; South, Gen. Jackson; killed 1,581. Gettysburg, July 1, 2 and 3, 1863; North, Gen. Meade; killed, 2.834; South, Gen. Lee; The "local hit" man of the minstrel killed, 3,000. Vicksburg, July 3 and 4, show is a great humorist. He has no education and could not couple two sentences South, Gen. Pemberton; killed, unknown. Chickamauga, Sept. 19-23, 1863; North, Gen. Thomas; killed, 1,644; South, Gen. Bragg; killed, 2:389. Wilderness, May 5, 6 and 7, 1864; North, Gen. Grant; killed, 5,-597; South, Gen. Lee; killed, 2,000 Spott avivania, May 8-21, 1864; North, G m Grant; killed, 4,177; South, Gen. Lee, k II. a glint of humor in the entire range of Ened, 1,000. The above figures are lase ton glish literature, yell and swell up and expanty of the State.
